2013 CeFP Mini-Symposium

Fungal Biology and Pathogenesis

July 1, 2013

Presentation at Room 101 at 203

09:30-09:50 **Registration**

09:50-10:00 **Opening ceremony**

Dr. Yin-Won Lee, Director, Seoul National University, Korea

Dr. Yong-Sun Bahn *(Chair, Yonsei University, Korea)*

10:00-10:40 **Sexual Reproduction and the Evolution of Eukaryotic Microbial Pathogens**

Dr. Joseph Heitman, Duke University, USA

10:40-11:20 **Calcineurin Substrates Involved in Stress Survival and Virulence of *Cryptococcus***

Dr. Maria E. Cardenas, Duke University, USA

10:40-11:20 **Coordinated Control of Development and Toxigenesis in *Aspergillus***

Dr. Jaehyuk Yu, University of Wisconsin-Madison, USA

CeFP

Center for Fungal Pathogenesis, Seoul National University
